

Remarks

Claims 1-7, 9, 13-17 and 19-21 are now pending. Claims 1, 4, 7, 9 and 13 are amended. Claim 18 is cancelled. Claims 8 and 10-12 were cancelled in a Preliminary Amendment filed with the application on March 25, 2004.

Claim 1 is amended to include the end-capping groups for certain species. Claims 4 and 9 are amended to delete reference to Formula II. Claims 4, 9 and 13 are amended to delete reference to Formulae IX through XI. Claim 9 is further amended to correct an obvious typographical error. Claim 7 is amended to include the structures of Formulae VI(a) through VI(d), and VII(a). New Claim 21 is a device claim and recites the use of the copolymer of claim 1 as written prior to the amendment of claim 1 herein. No new matter is introduced.

It is respectfully suggested that none of the art of record anticipates or renders obvious the invention as now claimed. The above amendments are made to put the claims into condition for allowance. A Notice of Allowability is respectfully requested.

Respectfully submitted,
